BOP's Emergency Response

Every institution is like a small city and to cope with major emergencies or other significant interruptions of normal operations, they each have continuity of operations (COOP) plans that provide guidance to staff.

BOP's COVID-19 Response

In February 2020, the BOP's Public Health Service (PHS) staff were placed in operational dress uniforms to be ready to respond to COVID-19 incidents by the Assistant Secretary for Health.

BOP's COVID-19 Collaboration Efforts

BOP PHS Officers have been deployed for national travel-related screening at airports and NIC has been asked to share BOP-related guidance with state and local corrections.

Coronavirus.gov

The primary lane of information for the public regarding Coronavirus (COVID-19) is a portal for public information published by the Coronavirus (COVID-19) Task Force at the White House, working in conjunction with CDC, HHS and other agency stakeholders.

CDC.gov

The Centers for Disease Control and Prevention (CDC) has established a resource portal on [CDC.gov](https://www.cdc.gov) with the latest information from CDC and the overarching medical community on COVID-19.
